

BRINGING JOY & PURPOSE TO ORPHANS

ACADEMIC UPDATES FOR MARCH 2025

Introduction: March was a month of both meaningful progress and deep sorrow across Lifesong Zambia. While we celebrated many exciting developments — including the launch of a new school, the implementation of a transformative curriculum, and vibrant community events — we also faced the heart-breaking loss of our brother, friend, and missionary, **Joe Marton**. His passing cast a shadow over what was otherwise a month full of growth, yet through our grief, we held firmly to the hope we have in Christ. As we moved forward with the work God has entrusted to us, we were reminded that every step — whether joyful or painful — is held in His sovereign hands.

Health Services Update: Health — one of the core pledges of Lifesong — saw significant progress this month. We are pleased to announce that our **Garneton Clinic is now officially registered with the Ministry of Health in Zambia**. This milestone marks a major step forward, as both our clinics are now fully recognized and authorized to operate, enabling us to provide excellent and unrestricted health services.

Our clinics, which serve over 600 individuals — including students, staff, interns, and personnel from universities, colleges, and nearby businesses — continue to improve in quality and efficiency. **Led by Dr. Mingochi as our overall medical personnel**, the clinics benefit from strong leadership and a team of qualified, dedicated healthcare professionals who are making a tangible impact on patient care and service delivery.

International Women’s Day – 08/03/25: Over 150 women came together in joy and reflection to celebrate **International Women’s Day** at Lifesong. It was a powerful and meaningful time of encouragement, appreciation, and recognition of the incredible passion our women bring to the **Lifesong vision of serving orphans and vulnerable children.**

The event was filled with color and culture, as the women proudly wore their beautiful African chitenge attire, symbolizing unity, identity, and strength. Their vibrant presence and shared stories inspired many, reminding us all of the vital role they play in shaping lives and communities.

Youth Day – 12/04/2025: On the same day, over **90 Lifesong youths** joined others under the Chaplaincy to participate in **Youth Day for Children**, held in partnership with Faith Baptist Church. The goal was clear — **to remind our young people to remain faithful before God**, walking in obedience as part of our ongoing discipleship journey. The day blended **fun games with spiritual nourishment**, offering **teachings on responsibility, godly character, and community involvement.**

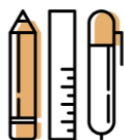

Unity High School Project: The Unity High School project is steadily taking shape. Although the construction is still underway, key structures such as classrooms, laboratories, office blocks, and a clinic are already visibly progressing. We are immensely grateful to God for His continued provision and faithfulness.

1750+ Children Served

Two Meals Each Day

School Books & Supplies

Medical Care

Wages for Teachers & Staff

Operating Expenses

A Time of Mourning: On March 17th, we received the heartbreaking news of the passing of our dear brother, Joe Marton. His sudden death came after a joyful moment playing squash with his close missionary friend and brother, Dennis Delic. Joe was a key figure in both local and international marketing for Life-song, and his loss has left a deep void in our hearts.

We gathered to mourn with hope, knowing that Joe is now with the Lord. Lifesong staff and students in Zambia, along with family members from the USA, came together to celebrate his life, his legacy, and his impact.

Prayer Focus: Pray for Lifesong for Orphans Zambia during this difficult time.

“But we do not want you to be uninformed, brothers and sisters, about those who are asleep, that you may not grieve as others do who have no hope.” 1 Thessalonians 4:13 (ESV)
