

BRINGING JOY & PURPOSE TO ORPHANS

ACADEMIC UPDATES FOR MAY 2025

Introduction: On 12th May 2025, our four schools—LH Chipata, Garneton, Kawama, and Racecourse—reopened, welcoming back over 1,000 students. What a joyful day it was! The children returned with excitement, laughter, and renewed energy. It was especially heartwarming to see students from our boarding homes hugging their friends and caregivers. Many expressed deep gratitude for the love, care, and safe shelter they continue to receive through Lifesong's rescue homes and boarding facilities. It was more than just returning to school—it truly felt like coming home.

University Graduates – A Proud Moment for the Lifesong Family: With tears of joy and hearts full of praise, we celebrated the graduation of six of our students from various universities. These are children who came from vulnerable backgrounds, some raised by grandmothers, others from rescue homes—but today, they are university graduates! What a testimony of God's faithfulness and the power of education and love.

They have worked hard, trusted God, and never gave up. We pray that their lives will be a shining light in their families, communities, and the nation.

To all our sponsors and friends—we say thank you. You have not just supported students; you have raised leaders.

A Visit from the Legacy Team (USA): This month, we were blessed to receive a visiting team from our dear friends in the USA—The Legacy Team. They came not just as visitors but as brothers and sisters in Christ, joining hands with our teachers, chaplains, and interns to share God's love with our children for one week (June 26th to June 30th, 2025).
