

LIFESONG FOR ORPHANS – ZAMBIA, ACADEMIC REPORT FOR NOVEMBER, 2025

Introduction

We thank God and our faithful partners for walking with us through another impactful season at Lifesong for Orphans – Zambia. November 2025 marked a significant milestone in both education and ministry.

Academic Highlights

Lifesong Harmony Schools successfully supported students through internal assessments and **national examinations for Grades 9 and 12**. Exams were conducted smoothly without incident, reflecting the dedication of both staff and learners. Our teachers also remained actively engaged in school programs that strengthened academic and personal development.

A New School Opportunity in Kitwe

This month, Lifesong was blessed to receive a **donated school from the Kitwe community**, and the move was fully supported by the **Ministry of Education**. The school has the capacity to serve **250 learners from Grades 1–7**. We have received this opportunity by faith and are trusting God to raise sponsors to support **orphans and vulnerable children**. Infrastructure development, furniture, and essential learning resources remain key needs as we prepare the school for excellence.

Ministry Spiritual Growth

Our spiritual programs continued strongly across schools and care points. We rejoice in seeing students grow in their knowledge of Christ, with many engaging in discipleship and spiritual activities.

Care, Feeding & Health Services

Our feeding programs and rescue homes continue to provide consistent care and stability for the children. School medical clinics are well established, and progress is underway to complete and register our third clinic in Kawama with Ministry of Health in Zambia, strengthening access to healthcare in our schools.

Prayer Requests

We humbly ask you to stand with us in prayer for the following:

- Provision of **infrastructure, furniture**, and resources for the newly donated Kitwe school
- Strength and wisdom for **teachers, caregivers, and staff** as they serve faithfully
- Continued **spiritual growth and protection** over our children
- Successful completion and registration of the **Kawama medical clinic**

Scripture of Encouragement

“And my God will meet all your needs according to the riches of His glory in Christ Jesus.”

— **Philippians 4:19**
